

zone of Space & Co-habitation

Artists, art workers and organization are hosted in wpZimmer by The Zone of Space & Cohabitation. This zone is responsible for the infrastructure, interpersonal relations and artistic-technical support. Through the organizing of hosting spaces with attention for both logistic and human connections, shared responsibility, dialogue and alliances between wpZimmer and its community is sustained in the realms of space and co-habitation.

zone of Alliances

With the aim of rooting artistic practice as social practice in the lived world, The Zone of Alliance collaborates and build connections with other organizations that align with wpZimmer's mission and values. By exchanging knowledge, dialogue and sharing resources these alliances exist as collaborative platforms/networks contributing to the development of artistic practices and the art field.

zone of Amplification

Serving as a bridge between the internal organization and the public realm, The Zone of Amplification exists to amplify the artistic and organizational practices taking place in and around wpZimmer across online and offline spaces. By understanding wpZimmer's audiences it aims to grow and sustain communities around wpZimmer and the practices it supports. Thereby the zone of Amplification contributes to new ways of engagement between artistic practices and the larger ecosystem in which they exist.

zone of Practice

The Zone of Practice provides artists with the necessary conditions to allow artistic development and experimentation to take place in a socio-political engaged environment. By working through/ with the Zone of Practice through a collaborative and reciprocal approach, artists articulate their needs for support, receive guidance and benefit of the received resources (time, space, financial, knowledge etc.) in order to grow and progress in their process during and beyond their collaboration with wpZimmer.

zone of W.O.W.

The Zone of Way of Working is responsible for taking care of everyone who works in and with wpZimmer in terms of well-being, fair pay and fair practice. This zone ensures that wpZimmer has an aligned approach to collective work and multivocality guided by Sociocracy 3.0. By safeguarding a brave safe space where people feel free to express themselves, the Zone of W.O.W. aims at fostering connections through shared ownership and leadership among staff, artists, volunteers, the board, the general assembly, and others involved.

zone of Organizing Resources

The Zone of Organizing Resources exists to secure balanced access to the financial, relational, material, and energetic resources that sustain the work of the organization, infrastructure and the artists wpZimmer collaborates with. By fostering mid- and long-term perspectives, the Zone of Organizing Resources nurtures a healthy, resilient ecosystem.
